Eligibility of employees of Local Bodies for --.

GOVERNMENT OF BOMBAY.
Political and Services Deptt.
Circular No. 1586/3.
Bombay Castle, *22nd June 1948*

CIRCUIAR OF GOVERNMENT.

Under Rule 11(1) of the Bombay Civil Services Classification and Recruitment Rules, those who are in the service of the Crown in India, including those who are in service under the Central and Provincial Governments in India, are not eligible for employment under the Government of Bombay if they have applied without the consent of the Head of the Office or Department or the Government under which they are serving in the case of those who may be serving under the Central or Provincial Governments in India. The Government of Bombay had had under consideration for some time past whether the same provision should be made applicable to those serving under the Local Bodies. i.e., whether they should also be made eligible for service under it only if they have applied with the consent of the Local Body concerned. It has now been decided to apply the same provision to the employees of Local Bodies also and to amend rule 11(1) of the Bombay Civil Services Classification and Recruitment Rules suitably. The position now, therefore, is that like persons in the employ of the Governments in India, employees of the Local Bodies also will be eligible for service under this Government only if they submit their applications with the consent of the Local Bodies concerned.

~~Attxxxti~~
Attraction of employees of Local Bodies for -.

Sir,

I have the honour to bring to your kind notice that though Government Circular No. 1586/34, dated 22/6/1948, Political and Services Department, has had considerable effect in checking the employees of local Bodies, especially servants of the Engineering Branch, in seeking service in Government Public Works Department where demand for these technical hands is more at present due to the launching of several new schemes by Government, there appears to be a tendency in the servants in the Local Bodies to tender resignation with one month's notice and then seek for service in Government ~~xi with one month's notice and then seek for service~~ in Government Public Works Department.

2. Consequent upon the assignment of 15% land revenue to Local Bodids and the launching of village approach road schemes, &c., on an extensive scale, the local Boards have been directed by Government to maintain adequate strength of qualified staff in the Engineering Branch to get on with the increased number of civil works in the local Boards. A copy of the Government letter No. 3640/33-C, dated 2~~1~~/9/1948, H. and L.G.Department, in this connection, is appended for favour of perusal. ~~The Boards have however apprehension that for favour of perusal~~. The Boards have however apprehension that inspite of the raising of the pay scales of the qualified ---

qualified staff of the Board's Engineering Branch in tune with the revised scales sanctioned by Government for the Government Public Works Department staff, the Local Board employees of the Engineering Branch have an attraction for service in Government Public Works Department, in view of the larger scope there.

3. In the circumstances, I have the honour to request you kindly to issue circular instructions to all heads of your department not to appoint the persons who have quitted services of the Local Bodies without consulting them about the reasons for their Local Bodies without consulting them about the reasons for their quitting Boafds's service. Such circular orders are quite essential in public interests.

Yours faithfully,

Sd/-

President,
D.K.B., Kanara.
